March 1, 2017

Morristown Property and Business Constituents:

We are excited about the changes that are taking place at the Morristown Partnership! Beginning January 1, 2107, I assumed the position of Executive Director for the Morristown Partnership. I will continue the hard work of my predecessor, Michael Fabrizio, who resigned to pursue the Executive Director's position at the Morristown Parking Authority. My twelve-year tenure at the Morristown Partnership has included a variety of positions and myriad accomplishments that have prepared me to effectively lead this organization. I look forward to getting to know you and continuing the Partnership's excellent working relationship with the County of Morris, the Town of Morristown, community/civic organizations, residents, developers, entrepreneurs, business and property owners.

Assisting me with the operation of the Partnership are Karen Carvelli and Samantha Shaw. Karen is our Director of Development, who joined the organization in 2013 and has worked to diversify our funding sources by developing creative partnerships and promotional opportunities for local businesses, community partners and corporate sponsors. Samantha Shaw is our Marketing and Events Coordinator. Sam is a recent graduate of Rutgers University with experience in journalism & media studies, music and education. We look forward to tapping into her talents to tell downtown Morristown's story through new media and content creation. Karen, Sam and I are grateful for the support of our administrative staff and volunteers, without their additional hands-on help we could not produce our community and constituent programming.

There is also new leadership on our Board of Trustees. During the Partnership's reorganization meeting, the Board elected Frank Vitolo (Riker Danzig) as Chairman/President, Bill Braunschweiger (Braunschweiger Jewelers) as Vice Chairman, Kim Ryan (Lakeland Bank) as Treasurer and Jon Davenhall (Hyatt Regency Morristown) as Secretary. Our Board meetings are open to membership and the public, so you are welcome to attend and participate.

Enclosed are an organizational overview, annual calendar of events and Board of Trustees Self-Nomination documents. We hope you will join us in supporting our mission to help Morristown achieve its full potential as a premier community in which to live, work, play, shop and do business.

Sincerely,

Jennifer Wehring
Executive Director

Morristown Partnership addresses the revitalization of downtown Morristown through economic development initiatives in areas of redevelopment, business recruitment and retention, marketing, promotions, events and capital improvement projects.

Working together with other civic and community organizations and local, county, state and federal government agencies, the Partnership has successfully brought together the private and public sectors in the on-going revitalization of Morristown's business district.
