When County officials announced last week that they were bidding for a new office building, they also announced they were bidding for 180 parking spots to go with the building.

The building, located at the corner of County Road 51 and County Road 52, is a parking garage for the building, which is under construction. The building will be used for the county administration and county offices.

Assistant County Engineer J. Robert Smith said the building is expected to be completed in 2018. He said the building will be used for the county administration and county offices. He said the building will be used for the county administration and county offices.
