LAST CALL FOR BARRICADES FOR OUTDOOR DINING

JULY 21, 2020

Morristown Restaurant Owners,

We do not have any more Town-owned barricades to offer, so for any business interested in a parklet we are asking any business who takes advantage of this to reimburse the Town for the cost of the barricade rental.

The rental cost is \$45 per barrier per month for a minimum of 2 months. Each barrier is 6 feet. For comparison purposes, one café that uses 2 parallel parking spaces requires 11 barricades at a cost of \$990 for the 2-month rental. If you express interest, we will measure the area requested and provide an estimate of the cost.

The parklet requested cannot encroach on a bus-stop, handicap space, fire hydrant, or have any other obstructions.

If your location is on a State highway, permitting is required and subject to State approval. The Town will request and process the permit on your behalf.

To request a parklet in front of your business, please send an email with your request to Jillian Barrick, Business Administrator, at j-barrick@townofmorristown.org. Further information will be provided to you including an estimate of the barricade rental cost.

Any restaurant interested in using curbside parking for outdoor dining **must let us know by Friday, July 24, 2020**. Requests received after this time may not be considered.

If you have any other questions or concerns, please reach out to Jen Wehring at the Morristown Partnership or my office at 973-292-6626 or j-barrick@townofmorristown.org

Regards,

Jillian Barrick
