Morristown Partnership Present:

# MORRISTOWN'S EGG-CELLENT ADVENTURE

We are once again pleased to be partnering with Morristown Partnership in presenting Morristown's Egg-Cellent Adventure, a fun Egg Hunt for all, scheduled for Monday, March 28th through Monday, April 11th.

The Egg-Cellent Adventure will be a scavenger hunt around Morristown to include historical sites, points of interest and business locations. A list of clues will be available on the Recreation Department and Morristown Partnership websites and social media beginning March 28th. Clues will lead to numbered eggs throughout Morristown. Points will be earned for each clue successfully found. Families, groups, and individuals with the most points/correct answers will be entered into a drawing for awesome prizes!
