

# You're Going to Love the Soup!

---

At Love The Soup!, each and every batch of our Soup is made with love. We integrate our classical cuisine expertise with years of culinary development & trend-setting flavors to produce the best tasting soups around! With over 50 varieties, our soups are enjoyed year-round: seasonally inspired, hand-crafted - pure flavor explosions! Our 'farm to kettle' approach allows for our soup to have fresh ingredients locally grown, picked by local Garden State Farms, and made into delectable soup for your dinner table tonight!

Visit our website for more information, updates on our weekly menus, farmers market locations in North-Central Jersey and New York City and more!
