

Morristown Partnership Board of Trustees 2024 OFFICIAL ELECTION BALLOT

There are five (5) seats available for the upcoming three-year term beginning May 1, 2024 and ending April 30, 2027. You are entitled to vote if you are a commercial property owner or business owner paying a special assessment in the Special Improvement District (Map: morristown-nj.org/membership/), or the official designee of the property or business owner.

Each assessed property has one vote and must be cast by the entity, or entities, which own(s) the property. Only one ballot may be cast for each such entity. Each “bona fide” business located within the Special Improvement District, a business with a separate and distinct existence from all other businesses located at the same property, also has one vote. You may vote for five (5) candidates. Candidate profiles can be found on morristown-nj.org. (Link: morristown-nj.org/who-we-are/elections/).

No ballot can contain more than one vote for any candidate

Each entity or property owner must submit a separate ballot for each business and each property
