In Case You Missed It We're Revitalizing Headquarters Plaza!

Last week, we unveiled dramatic renovation plans for Headquarters Plaza – now known as ‘HQ Plaza’ – celebrated with a design talk and luncheon with our esteemed architect Gensler.

We extend our heartfelt gratitude to all who attended the event. It was an honor to welcome distinguished guests including Mayor Tim Dougherty and members of the Town Council alongside our longtime tenants. We are honored and deeply appreciate the time you dedicated to witness the exciting future of our property firsthand.

When construction is complete, HQ Plaza will serve as a dynamic hub for premier office, hospitality, dining and entertainment offerings at the center of Morristown. Tenants and visitors will enjoy

an office environment anchored by a newly revitalized main concourse, providing access to HQ Plaza’s curated selection of amenities and entertainment offerings. An open-concept area between the office towers and the Hyatt will facilitate access from east to west, activating various lounge areas, dining and workspaces throughout the main corridor.

Meanwhile, three new restaurant concepts - Sushi Lounge, Parkside Tavern and Masseria by Joe Cetrulo - will occupy HQ Plaza’s prime retail space, creating a veritable ‘Restaurant Row’ along Speedwell Avenue.
