

## THE MORRISTOWN SHADE TREE COMMISSION

### **13<sup>th</sup> Annual Arbor Day Celebration**

Date: Saturday, April 25<sup>th</sup>

Place: Jacob Ford basketball court

Time: 9:00AM

Please join us at Jacob Ford Park for Arbor Day which will be celebrated with two Swamp White Oak trees along the basketball court. These trees will give much needed shade to those who use the court and add to the park canopy for clean air.

Jacob Ford Park forest and slope are part of a restoration process that we have been working on for three years. This year we will be in planting phase of the restoration. Come for the Arbor Day celebration and stay to hear all the amazing progress we are making.
